**WORLD FAMOUS
SONG BROUGHT
TO LIFE!**

IT WAS clear that a record field would turn out in this special seventh year of the Blaydon Races.

There were to be 2,281 finishers, which easily surpassed the previous record of almost 1,700 in 1985.

With Susan Atkinson of High Heaton selected to wear the Bonny Blaydon Belle sash during the race, the huge field set off "along Collingwood Street" to the sound of Jackie Broom's Blaydon Bell.

Whitist Whickham Round Table's pink Dolly Parton look-a-like with approximately 10 legs made hesitant progress at the start, life at the sharp end was already hotting up and the leaders were clearing Clayton Street as "all the lads 'n lasses" snaked out in a huge column prepared to get "gannin' along the Scotswood Road".

Approaching Scotswood Bridge Elwick's Chris Lee was pushing on with Alan Richardson of South Shields and Sunderland's Malcolm Price amongst close rivals.

Over the Blyden flyover the crowd at the precinct car park finish could see that these three were still together but it was Alan who outsprinted the rest for a most popular victory and his first Blyden title from Malcolm Price (second) and Chris Lees (third).

It wasn't long before the Blyden crowd raised their biggest cheer of the night for their very own Jill Hunter, in an incredible 43rd overall position taking her third Blyden title in a row. Jill had said that she would treat this as a training run with so many calls being made for her to run all over the country

With Klarty Wade — finishing second to Jill — after a tough journey back from racing in Moscow at the weekend, Blaydon easily took the team title and the Cushie Butterfield Tankard as Debra Hillen and Sue Hawkins packed well behind the two internationals. The Durham and Elswick ladies were second and third in this section.

Alan Richardson's run in the lads section also laid the foundations for a South Shields win in the Callers Team Trophy with J. Prendergast, D. Beris and B. Cooper all getting in the first twenty.

Morpeth, led by Archie Jenkins (5th), managed second team and a steady performance by Blaydon clinched third place through A. Dent, K. Bell, J. Slater and M. Johnson.

Third placed lass S. Catford (Leeds) was clear of Houghton's Carolyn Nailsby and with her 59th placed husband also took the life and Wor Lass Trophy away from Tynesale for the first time, beating Tony and Kirsty Wade by only 32 seconds in aggregate times. Alan Richardson's successful night continued here as wife Julie produced a sum of 28 miles, time 36, episode 41.

The remainder of the Me and Wor Lass awards also have a strong local

A terrific tussle is always assured in the veterans or gadgie sections for the Blyden Race has an outstanding prizelist for the elder statesmen and women of the sport.

This year was no exception and Harry Matthews of Elswick was pushed up into overall seventh place by last year's champion gaggle and impossible Double winner, Derrick Littlewood of Crook.

Harry also led the Elswick gag of gaggles to victory in the McCutcheon Team Shield section. It was a happy Harry who cheerfully rang the Blaydon Bell Vets Trophy after the presentation by Mr R. Corbridge of Newcastle Breweries. The Elswick Veterans are outstanding at the moment and second and third placed Gosforth and Monmouth were well beaten.

First young lad Ian Robinson (Lancaster & Morecambe) also took the Geordie Ridley Trophy out of the region and showed some class in finishing overall 15th well ahead of Elswick's Peter Hammill (74th) and the club's young track star Keith Ducker (80th).

Winning unattached lad was D. Robertson in 30.12 and lass L. Marr in 39.21 and J. Wylie took the first Blaydon Lass not otherwise a prizewinner and R. Nevin the lad's second.

Before the awards were made by Mr R. Corbridge of Newcastle Breweries, sponsors, and by the Mayor of Gateshead, Councillor Joe Hattam the Blaydon racers had all had their traditional stotty cake supper whilst they watched the Addison Rappers Dancers and listened to the Newcastle Brown Ale Band. Many of the helpers at the finish had dressed in period costume and the young ladies of Hazel Grayson's School of Dancing wore colourful costumes in the funnels.
