1400 took on the 'impossible double'

BLAYDON Harriers unique blend of athletics and Geordie tradition in the 1986 Newcastle Brown Ale Blaydon Race produced another happy event for all concerned earlier this week.

The Great North Run had taken place on the day before and many of the 1800 Blaydon entrants who had done the Great North Run were perhaps expected to think better of 'coming under starters orders'.

But 1462 finishers dispelled all fears of the mass dropout and took up the challenge of this 'impossible double' as they got 'gannin' along the Seaside Road for their Geordie Supper and Newcastle Brown Ale at Blaydon.

The weather was kind once again for the Blaydon races as they assembled to see this year's Bonyon Blaydon Belle Susanne Hood from Chichester receive the cash, which she was to wear on the road to Blaydon, from Mrs Marie Garrett, women's senior athletics official.

John Davies (Tyne and Wear Museums) echoed around the city centre building and the St Nicholas Cathedral clock struck seven as 'away they went along Collingwood Street'.

Swinging into Westgate Road the initial crush was starting to thin down.

In the front Mike McLeod and Jon Solly were soon away and maintained a gap for the rest of the race with McLeod just edging out his training partner to take the Newcastle Brown Ale Blaydon Cup on the line.

A large crowd at the finish were entertained by the Newcastle Harriers.

Morpeth's Don Speight with his distinctive gait was nearest the leading pair and team mate Nigel Reeves was cast behind.

The home crowd was awaiting the arrival of the first black and amber hooded vest of Blaydon Harriers and the team consisted of 14 runners and 15 with only Derwentdale's S. Webb

RUNNERS make their way from the start of the Blaydon Race in Collingwood Street, Newcastle.

Blaydon Race — amended results

THE recent Blaydon Race results, although basically correct in the 'Post' on Thursday, June 12, require some additions and modifications.

The organisers had previously announced Chester-le-Street in third place in the lads team section and this is not the case. Elswick Harriers are now placed third and Chester-le-Street move into second position.

Blaydon Harriers position as winners of this section is unaffected by this adjustment which was due to a veteran being considered as a counter for the Elswick team which should not have been the case.

Prize winners not listed last week include: 6th Lady D. Hillen (Cannock Chase) 35 min 48 secs; 7th Lady C. LeRoi (Darlington Harriers) 36.16; 4th Me & Wor Lass C. & J. Garvey (Unatt & Saltwell Harriers) 495, 329 total time 73.15; 5th Me & Wor Lass L. & G. Nicholson (Heaton) 829, 109 total time 73.21; 6th Me & Wor Lass K. & P.
